

Thank You!

2017 SPORTING CLAYS CLASSIC

From Roberta J. Lilly, MD, MPH, FACS and the entire team of the Clark Comprehensive Breast Center at University of Maryland Shore Regional Health, thank you for your sponsorships and participation in the 3rd Annual Sporting Clays Classic on June 10th at The Point at Pintail in Queenstown. Your support will help us purchase needed equipment for the Center. Because of your support today and past community donations, the Clark Comprehensive Breast Center offers comprehensive services for benign and malignant breast disease including screening and diagnostic digital mammography with Tomosynthesis – also known as 3D mammography; breast ultrasound and MRI; surgical care for all benign and malignant diseases of the breast; the Wellness for Women screening mammography program; the Survivors Offering Support Program; and a Women's Health Boutique for post-mastectomy garments, prosthetics and swim wear.

Thanks!

UM Memorial Hospital Foundation Board of Trustees and staff would like to thank the sponsors, committee members, volunteers, sportsmen and sportswomen participants, and those businesses and individuals who contributed prizes, in-kind donations and items to the silent auction. Thank you for helping make the 3rd Annual Sporting Clays Classic a great success.

You are helping save lives in our area!
