

2017 CLAWS for a CAUSE

A Crab Feast Benefiting
UM Shore Emergency Center at Queenstown

Thank you 2017 co-chairs, Ginny Biondi and Cassie Guy, for your leadership as we continue to grow this fun and tasty fundraiser. With the help of an enthusiastic committee, generous sponsors, our largest group of participants, in-kind gifts and the Fisherman's Crab Deck, we were able to net \$37,619 to help purchase new technology and equipment for the University of Maryland Shore Emergency Center at Queenstown. The Claws for a Cause turnout shows how much the community appreciates the Emergency Center and the excellent care provided by the center's staff. Our 2018 co-chairs, Holly Rhodes and Heather Comegys, have already started planning for next year!
