of UM Memorial Hospital Foundation

The 2018 Shore Regional Health Golf Tournament Benefits Intensive Care Unit (ICU) at University of Maryland Shore Medical Center at Easton.

The University of Maryland Shore Regional Health Golf Tournament held on Monday, September 17 netted \$93,249 to benefit the Intensive Care Unit (ICU) Fund at UM Memorial Hospital Foundation.

32 foursomes enjoyed a day on the Talbot Country Club course. Each golfer received a Titleist Vokey Wedge as their “thank you” gift, enjoyed lunch on the course during play, and the tournament was followed by a “prizes and awards” reception.

The day would not have been a success without the financial support of our golfers and 43 sponsors. We are truly grateful to our community partners for their generous contributions to community healthcare.

Many thanks to the ICU staff volunteers, plus hospital and community members who stepped up to help make sure the day flowed smoothly.

A word of thanks to the staff of Talbot Country Club, especially Head Professional Marc Kimminau and his staff, who made sure everyone had a great day of golf! Kudos to Executive Chef David Hayes and his staff who provided great food, courteous and gracious service, on the course and post tournament party.

Special thanks to the UM Memorial Hospital Foundation staff Janet Andrews, Shelley Bell and Amy Lowe for their hard work during the year to make this one of the most successful tournaments in our area.

We would also like to thank everyone for their continued support of our Annual Golf Tournament. Through the years and because of you, UM Memorial Hospital Foundation has been able to provide much-needed funds to help improve the lives of patients with state-of-the-art equipment, technology and renovations, and education.
